

REAL SAFE™

THE SAFEST WAYS TO CLOSE IN TODAY'S REAL ESTATE ENVIRONMENT

We offer 3 contactless options for closing your transaction from a safe social distance.

POWER OF ATTORNEY

Clients sign a Power of Attorney ("POA") document appointing and authorizing an attorney to sign documents at closing on their behalf.

MOBILE NOTARY

A mobile notary comes to home of the clients to notarize the closing packet and collect a fee for the service.

RON CLOSINGS

For seller-side signings and all-cash deals, clients can log into a virtual closing room to sign documents electronically.

TESTIMONIAL

They were highly responsive, closing was smooth and I did end up saving over \$500 on title and closing as a result of using them.
