## FOR IN-OFFICE CLOSINGS, DON'T FORGET YOUR MASK

### WHAT TO EXPECT

Only signers are permitted at our closing tables until further notice. Others may join by video conference link. Settlement attorneys will be available for questions.

### CLOSE CONFIDENTLY

We disinfect common surfaces after each closing and stagger appointments to maintain safe physical distances. Office visitors must have an appointment.

Signers will each receive a complimentary bottle of hand sanitizer from local distillery Cotton & Reed, along a fresh pen that is theirs to keep.

### VISUAL CUES

Abide by signage posted throughout the building.

### HAND HYGIENE

Use hand sanitizers often & refrain from shaking hands.
